

Final Report of Laying Hen Distribution for Needy Families 2023/10/02

We are very happy that we have completed the process of distributing laying hen to needy families in Kabul, Nijrab and some other far and near provinces, which the money was transferred from the Nazo Foundation (Nazo Deutschland) to Afghan Shining Sun (A.L.S) and we report it to you.

Afghan Luminous Sun organization together with its partner and constant supporter **Nazo Deutschland Union** always has try to be the source of service to the needy families in Afghanistan, so this organization beside of its other activities applied the agriculture and livestock projects with the financial support of Nazo Deutschland Union in Afghanistan since 2005 up to now also, so this time we are all so happy which we completed the **process of distributing laying hens** for about **107** needy families with some other materials like (**10 laying hens with its special baskets, 15 kg feed, 1 feed eater, 1 water eater**) in to different places of Afghanistan.

We distributed this number of laying hens to needy families on different occasions, like first time after survey and finding the deserving families around Kabul we distributed tentatively about **120 hens for 12 families** with its other material like feed, feed eater, water eater and some special baskets for hens transfer.

No.	No of family	No of hen	Total price of hens	No of hen per family	Cost of each hen	Cost of hens per family	transportation	Feed	Feed per each family	Cost of each kg feed	Cost of feed per family	Total cost of feed	Feed and water eater per family	Total price of feed and water eater	Total cost per family	Total Cost for 12 family
